

FISTS CW CLUB HAS THE BEST PROPOSAL, RM10811. BETWEEN RM-8005, RM-10806, RM10807, RM-10808, RM10809, AND RM-10810. THEY HAVE PROPOSED A SOLUTION THAT REALY DOES NOT INCLUDE WHAT THEY WANT BUT AS CLOSE AS THEY FELT THE FCC WOULD ENTERTAIN. I WOULD SUGGEST A 30 DAY WAITING PERIOD BETWEEN TESTING. DELETE THE SIBLIS FROM ALL PUBLICATIONS. INCREASE THE EXTRA CLASS CODE SPEED TOP 20 WPM .

THANK YOU,

RICHARD RAY DODSON KB5PX
